Make sure all frontend and backend will function properly for demo	Keerthanyaa, Emily
Check for accessibility score with kiosk page and adjust if necessary	Nikolai, Maira

Minutes from Previous Meeting

The team completed all the assigned tasks from the previous meeting. Emily implemented additional APIs such as OpenAI, Twilio and Stripe to implement our beyond feature. Maira worked on the magnifier for accessibility feature on manager side and finalized the MVP. Keerthanyaa revised the kiosk page and added a high contrast toggle feature. Nikolai worked on the last accessibility feature (text to speech) and helped Maira with finalizing the manager side.
